STRAPPY DAZE!

Dear *Mayfair*,

Ever since I saw my first mucky film – a grainy VHS donkey's years ago – my biggest fantasy has been to see two girls fuck each other with a strap-on. Life had never blessed me with that scenario in the flesh, so when I finally got to live out the fantasy a few weeks ago, I was more than overjoyed!

I've been seeing Rosina on and off for about a year, and really enjoy her company. So much so I started thinking I could even get serious with her. But she told me from the off that she was in no hurry to settle down, plus she was into women too, so I tried to keep my feelings for her in check. We didn't have any secrets but the one thing I didn't mention straight away was my deepest desire. When I finally divulged this information, after a particularly acrobatic session, she admitted that the last time she'd had strap-on sex had been about six months previously with a girlfriend. I relished hearing all the graphic details. So much so, it led to another, more frantic, fuck.

What I didn't realise was that Rosina would go on to make fantasy a reality. She called me a few days later, announcing that she had set up a threesome with a 'good friend' of hers and would Friday suit? Would it ever!

Rosina's girlfriend hadn't decided if I'd be allowed to touch her (I wasn't on a promise!) but she'd certainly get stuck in to Rosina, as could I! I was elated and didn't mind if I couldn't touch Misti, I was just so happy it was happening!

When Friday finally rolled around, I made sure I had plenty of booze in, but the girls were already merry when they arrived at mine, all over each other and laughing hysterically. Suited me – I had a feeling I'd need some Dutch courage! Especially after Misti's opening words.

"Hey bitch, you've been keeping this one all to yourself?" she accused Rosina, giggling. Result! I was practically salivating at the thought of the evening to come.

After feeling Misti up for my benefit, Rosina finally took off her long trenchcoat to reveal a waist-cinching basque and nothing else! And, much to my surprise, she was already wearing a strap-on – talk about coming prepared!

The whole experience was even hornier than I'd expected and believe me I had high hopes. This was, after all, a dream I'd had for many years – I couldn't quite believe it was actually coming true.

KATHRYN ZEAL!

Dear *Mayfair*,

Your newcomer Kathryn had me hooked from the very first shot, with her perfectly decked out in hold-up stockings and a lovely bodice, arching her back and looking over her shoulder at the camera. When a set starts that well, you know you're onto a winner, and sure enough the pictures that followed didn't disappoint! What an utterly flawless face and body she possesses, with the perfectly shaven crinkly fanny lips just one of the many highlights of what was a classic *Mayfair* set. With her pale lipstick she reminded me of some of those 1960s style icons like Julie Christie, although I bet even Julie Christie never looked that good when she got her kit off!

Alan, Kingston.

Cheers Alan - and although Julie Christie didn't look too shabby in *Don't Look Now*, for starters, we reckon Kathryn shades it as well!! - Ed.

her to bend over the bed and pull her knickers down. As I watched Misti oblige, I couldn't control myself any longer, and pulled my throbbing dick out of my jeans, slowly stroking it as I settled back for the show.

Rosina teased Misti's slick slit with the attached toy, before pushing it gently inside her, a tiny bit at a time. When it was fully inserted, Rosina started screwing her slowly, teasing Misti while looking me straight in the eye, a huge grin on her face as she watched me watching her fuck this girl. I increased my wanking speed as Rosina upped her thrusting speed, our eyes locked. This was one of the best moments of my life and she knew it.

She called me over and, telling Misti to call a halt

It was obvious from the off that Rosina was in charge and before long Misti was on her knees, sucking on her strap-on. But Rosina got bored of that quickly, ordering

to anything she wasn't comfortable with, ordered me kneel in front of Misti's face. I did as I was told and, still wanking away, I positioned myself a few inches from Misti's

STOCKING UP!

Dear *Mayfair*,

What a classic issue 51.08 was for a stocking lover like me – every girl you featured was wearing a pair (with the exception of Dani, who was wearing an altogether more bizarre concoction!), with Mia and Kathryn in hold-ups and Stacey, Zoi, Sophie, Roxi and Lucy all giving us the full-on suspender belt treatment! Although I was spoilt for choice

I think I'd have to plump for Lucy Zara's skin-toned nylons as my pick of the crop – pure class the way they hug her perfectly curved figure! What more could any man want in a woman than what Lucy's putting so admirably on display?! Not much, surely! Keep up the good work and plenty more stockings, please!

Ian, St Austell.

mouth, fully expecting Misti to tell me to get the fuck away from her. But she didn't. Instead, she opened her gob and told me to aim at her tongue when I came. Jesus!

It was pretty obvious to all of us there that they were the magic words, and within mere seconds of Misti vocalising them, I started shooting my wad. By the time I was finished, I had jizzed everywhere and her face was covered in my sticky muck. She lapped up as much as she could, licking around her mouth, then asked Rosina if she would scoop some up with the dildo so she could taste my spunk mingled with her juices. It was such a horny thing to hear!

It was almost as horny as when Misti asked me, a few minutes later after I had recovered, if I would mind her sucking my prick. I glanced at Rosina, who laughed and told Misti just to get on with it. I happily concurred and began groaning as soon as I felt Misti wrap her warm mouth around my shaft. She gave good head, swallowing me whole before tickling my bell-end with her tongue, all the while fondling my balls. I was lying there savouring the exquisite blowie, when Rosina moved in behind Misti. I could see her expression as she sunk the strap-on into Misti's juicy cunt, the smile plastered over her beautiful face as she pushed in deep. I sat up so could see, holding Misti's head in my crotch as I saw my girlfriend pull her plastic cock out of her friend's snatch, covered with cunt cream, and slam in again. The force of Rosina's thrust impacted, as it would, on Misti's blow-job and she pushed forward, deepthroating my meat and gagging loudly. God, that turned me on. Reaching forward, I was able to feel the dildo disappearing inside Misti's vag, as Rosina pumped it in and out. Although I had not long since emptied my ballsack, I wasn't shocked when I realised that I was about to come again. I warned Misti, in case she'd swallowed enough spunk, but she didn't move, instead continuing to suck as my prick sprayed hot cream down her throat. Trooper that she was, she didn't pull away until she'd milked every single drop of jism from my aching tool.

Rosina later reported to me that Misti was definitely up for a repeat performance, plus she's promised me that I'll get to fuck both of them next time!

Ravi, Charnwood.

BROTHERLY LOVE

Dear *Mayfair*,

If I've ever done anything more stupid in my entire life than leaving my gorgeous young wife at home for the day with Martin, then I'm not sure what. As I left the house that morning it was with a sense of foreboding, but what could I do? Your brother turns up on your doorstep without warning, saying he needs to stay a couple of days and would it be okay.

He'd met Kelly only twice before, once at our wedding where, unbelievably, he tried to chat her up, and once at a family party when he'd (almost) charmed the pants off her.

So off I went, briefcase in hand, leaving my beautiful, slim, gorgeous wife to whatever schemes my womanizing sibling had dreamt up to get inside her knickers.

All day long at the office I imagined his hands on her soft, naked breasts, his fingers touching and probing between her smooth legs and caressing her cute little pussy. Not only did I end up beside myself with jealousy, I gave myself a raging hard-on that rarely subsided over the eight hour day.

As I made my way home, my mind still full of images of her sweet naked body being made love to by my dirty minded brother, I hoped against hope that she had managed to resist his advances. He can be a real clever charmer when he wants to be and I somehow thought I knew that he'd have got somewhere with her, despite her being as loyal as they come.

When I arrived home, Kelly seemed a little edgy and also rather flushed. I feared the worst but said nothing. As we sat down with Martin to watch the evening news, he slipped his hand around Kelly's shoulder and said what a great day they'd had together.

I started to protest but thought better of it – he only had his arm around her shoulders.

Instead, I asked what they'd done that was so great.

"Oh, Martin has a new business," said Kelly, becoming more flushed with every word she spoke, "He's in the body art and piercings game..."

My heart sank. I let Martin continue the

O k, we know we should have tried to hold this set of Holly back until 52.13, so we could make a lame Christmas pun on the cover (Lord knows we've been responsible for a few of those in our time!) but sometimes we think there's a bit more urgency to get something into the public domain – and if these piccies don't demand to be sooner rather or later we don't know what does!

“You could always get me back again for Christmas!” suggests Holly with a cheeky wink. “I reckon a few of your readers wouldn't mind it too much...” Maybe not, but I'm not sure if my blood pressure could!

story.

"Yeah, I've been trying out some of my new lines with Kelly. What a delicious little body she has, you lucky bastard!"

There was a moment's silence. I tried to speak but couldn't. My mouth went dry at the thought of Martin having seen Kelly naked and I felt my cock beginning to stiffen yet again. I finally managed to mutter, "You didn't – I mean, I hope you two haven't er, you know..."

Martin laughed. "Are you asking if we've fucked? Of course not! Not that I didn't want to. Those fantastic breasts – couldn't keep my hands off them!" Kelly blushed and stared at the floor.

her shoulders and let it fall to the ground, leaving Kelly completely naked. More naked than I had ever seen her as amongst whatever else they had been doing that day, they'd shaved off her pubic hair!

I gazed in mounting lust at her silky smoothness, now sporting a small, colourful butterfly just above that cute tempting gash that I know so well.

My eyes flicked up and down her stunning body, lingering on her breasts, so firm and pert, and on her erect nipples, the left one of which now had a gold stud through it's sensitive pink flesh.

I was unable to speak as Martin stepped forward and began running his hands brazenly over her naked breasts, telling ME how lovely she felt and how the skin texture

apology. Martin laughed and told me that she'd been resisting him doing this all day and that I ought to be very proud of her.

Kelly pushed forward onto his outstretched fingers as he spoke, wanting him deeper, needing penetration and release after a full day's sexual teasing. She was now moaning with joy. Martin winked at me and said, "It's about time I fucked her, and don't you think?"

He led her to the dining room table, bent her naked body over it, took out his huge throbbing cock and thrust it between her spread lips, deep into her beautiful pussy.

I stood staring, totally turned on, slightly jealous and utterly bewildered. How had he managed to engineer the situation round to him fucking my wife doggy style over my

dining room table? He was really giving her one, really hammering his hard cock into her willing cunt, roaring with lust and groping her tits relentlessly with his big hands. Kelly was screaming with delight, demanding he fuck her harder still, go deeper and deeper, faster and faster.

Suddenly they both cried out in climax, gasping heavily and slumping over the table.

Without a word, Martin led Kelly towards the spare bedroom, Kelly glancing at me with an apologetic little smile as they went. Martin led her in and locked the door. I followed and stared aghast at the closed door.

My first thought was to kick it down, but then I realised that the reason I hadn't stopped them was because I wanted this. I was more turned-on than I can ever remember being, and suddenly, the thought of Martin fucking my gorgeous wife all night long was the most erotic scenario imaginable. I settled down for the evening and listened to their moans and sighs, Kelly shrieking with orgasm after orgasm as Martin made love to her naked body, the headboard slamming into my wall. My brother gave me a running commentary on what they were doing: "I've got three fingers up her pussy, she's so wet!" and all it did was up my own lust. "Mate, have you ever had her in the arse?" he called out. "Her

ring's so slippery because her pussy's so wet, I'm gonna give it a little lick, see if I can stick me finger up there! Fucking hell, her arse is so fucking tight!"

This went on all night, my brother had the staying power of a lion. Just when I'd think it was all over and I was going to get my wife back, they'd start up again, Martin calling out to see if I was still awake. I lay there, my hard-on in my fist, wanking like a mad man until the sun came up and my wife sheepishly came back to bed.

I had another couple of days of this before Martin finally left. He's promised to return soon, though...

Richard, Canterbury.

LOVIN' THE ROX!

Dear *Mayfair*,

I've never written into you before, but I felt I ought to say thanks for finally putting one of my favourite UK models, Roxy Mendez, in the magazine! I thought she was never going to get in to *Mayfair*, so imagine my delight when I clocked her on the front of 51.08 alongside the equally gorgeous Sophie Star! It's just a shame they appeared too late to make it into the running for the Girl/Girl duo of the year category in your awards, because I'm sure they'd have been in with a good shout, although she is nominated for a set she appeared in with Stella Cox, so perhaps I'll vote for her there!

I hope I'll be seeing more of Roxi in your magazine now that she's finally broken her duck!

James, Boston.

"And what lovely nipples! I must admit, I've never spent longer on a piercing in my life, I could hardly keep my hands still the whole time."

My mind was reeling, images of Martin visually devouring my lovely Kelly, touching and groping her perfect breasts, holding and piercing her nipple. It was too much, without thinking I demanded to see what work he'd done.

Martin, never one to look a gift horse in the mouth, took this as permission and ushered Kelly to her feet. Stepping over to her, he began unbuttoning her dress in a slow, sensuous way that only I should be allowed to do. He slipped the garment from

of her nipples was amongst the most wonderfully sensual he had ever touched! He gave her gold stud a couple of little turns and she groaned with pleasure. I found myself incapable of dragging my eyes away and could only watch in excruciating lust as Martin let his fingertips wander over her flat tummy and down onto her soft, raised mound, making some show of inspecting his artwork before dropping all pretence and slipping the tip of a finger between Kelly's lips and gently caressing her.

I watched as he slipped a finger inside her, adding another and pushing them deep inside my wife's vagina. Kelly looked at me directly for the first time and mumbled an

Fear not – we didn't ask Cara to sit out in the garden during one of the chilliest Februaries in living memory so we could get this set into the March edition – we've been sitting on these pics since last autumn, when we actually had a couple of days that were balmy enough to venture outside! Still, looking at the pics now, they're surely more than enough to get the sap rising, aren't they? Spring is just about upon us, which is always a relief, so let's give thanks for the glories of nature's gifts while checking out Cara's very own ample blessings!

Yikes – you don't get to many cracking norks like Marie's here to the pound, do you? And don't worry - we're not trying to fetishise schoolgirls or anything – snapper Dazza tells us that this is pretty typical of how hugely-norked Aussie girls like to dress well into their mid-20s. Well, we can't help thinking he might be fibbing a wee bit there, but if there's even one iota of truth in his claim, then that's it – I'm rolling up my swag and jumping on the first plane down under! *(Not till you've finished these blurbs you're not! – Ed.)*

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

I'm from a small town and, as the talent isn't much to write home about, I ended up marrying my childhood sweetheart, Jack. I have been completely faithful throughout most of our relationship until, that is, I started a new job and met Marcus.

While most adulteresses generally go for a bit of rough, I married mine, so I ended

eventually turned to some serious flirting. As the ice melted, the sexual tension heated up.

I kept myself in check for months, avoiding situations where I was alone with him, as I didn't trust myself to go gooey over his big brown eyes and chiseled face. But it was at our end-of-month work cocktail club that my resolve finally caved...

It was after last orders and there were just a few stragglers left, when Marcus offered to see me to the taxi rank. We walked arm-in-arm until we reached the queue of revellers waiting to get a ride home and it was then that he pulled me closer to him and asked, "Don't I get a goodnight kiss?"

That was all it took for my strength to dissolve and before I knew what was happening we had our tongues down each other's throats. When we finally broke for air, I whispered, "Let's go to your place."

We both knew that I was married so this would be a no-strings thing - and even if I hadn't been, as work colleagues we'd have to keep it schtum as there was a strictly no inter-office relationships rule. As we piled into a taxi and Marcus gave the driver his address I had a pang of conscience

and second thoughts, but they disappeared as soon as Marcus settled back and began kissing me once more.

No sooner had the door to his flat slammed behind us, then Marcus pounced on me, snogging me hard and groping my tits through my flimsy top. I groaned, feeling up his tight bum and enjoying the way his kisses kept diverting to my neck before leading back

up to my mouth again. He grabbed my hand and boldly placed it on the hard bulge in his trousers, encouraging me to rub his through the material. I obliged willingly, excited by the way his erection strained to escape its confines.

As Marcus lifted my top and freed my tits from my bra, so I unzipped his fly and pulled his todger out, my hand grasping it tightly as he moaned with pleasure. I wanked his shaft rhythmically, noticing how ragged his breathing had become, as he pulled my skirt up roughly, squeezing my buttocks, his fingertips brushing my pussy and making it tingle and juice up immediately.

Suddenly, it was like Marcus lost all control - he lifted me up and I wrapped my legs around his waist, then he carried me over to his kitchen counter, perched me on the edge and proceeded to push his fat prick inside my snatch. I gasped as he entered me, and as he instantly started pumping into me hard and fast, I put my legs around his back, once more.

HE PULLED MY SKIRT UP ROUGHLY, HIS FINGERTIPS BRUSHING MY PUSSY AND MAKING IT TINGLE.

All he seemed to care about was coming, not that I minded of course, and as he pummeled away I knew that he'd come before I did. And sure enough, a few moments later, Marcus' body tensed and he grunted as he shot his load deep inside me. I was nowhere near climaxing and, as Marcus called me a cab, I felt slightly irked and really frustrated!

When I got home, Jack was in bed. I had a quick shower and joined him, but knew I wouldn't be able to sleep, as my sexual desire hadn't been satisfied. I began to think naughty thoughts about my husband - it wouldn't be too terrible to wake him up for a shag an hour or so after cheating, would it? I decided not, so rolled up close to him and started playing with his dick. He stirred, just as his cock did, and we were soon at it, me on top, riding the fuck out of him!

I've never stopped loving my husband, despite my infidelity, and still fancy the arse off him. Plus, he always knows how to satisfy me, and that night was no exception! I came buckets during that session, the thought

of Marcus banging into me only hours previously still so fresh in my mind. I did feel a bit guilty, but as Jack screwed me from behind, I decided that it definitely hadn't done our relationship any harm - quite the opposite, in fact! It made me so horny I could have fucked Jack all night.

Despite being pretty awkward when I first saw Marcus at work the following Monday,

up going for a bit of smooth! Tall and suave, Marcus is always a gentleman - except in the sack, thankfully - whereas Jack's idea of chivalry is wafting his side of the duvet after he farts in bed. I didn't fancy Marcus at all when I first met him: I found him somewhat arrogant and vain, but after we'd worked alongside each other for a while our snidey comments slowly turned to banter, which

Name: MAY
Age: 30
From: PLYMOUTH

the ice thawed quite quickly and we were soon back to our flirtatious banter – not that either of us mentioned our quickie. I think we both realized that it was probably best left as unspoken. That was, until the next monthly cocktail club when, lo and behold, we both got pissed and decided to address the situation. It'll hardly be a surprise to hear that, at the end of the night, we ended back at Marcus' flat.

We made it to the bedroom this time (just!) and I made sure I got mine: I suggested a sixty-nine and I'm so glad I did – the guy has a magic tongue! He gulped down my juices as I screamed the place down after he'd nibbled my clit and tongue-fucked my hole... I've never been eaten out like that before!

Once I'd orgasmed I was happy and told Marcus to go for it, which he did – holding my legs back as he thrust hard into my tight pussyhole. He pulled out as he came this time, though, spraying his thick cream all over my belly. Needless to say I had a shower before I left!

I didn't wake Jack that night, but I made sure I gave him a damn good seeing to that weekend. Not just out of guilt, you understand, but because I really do still love my husband and want to please him. However, it seems that mine and Marcus' after-cocktail-club-fuck has become a regular, if unspoken, thing. I really do feel like the cat that's got the cream!

“JASON'S HUNGRY DESIRE FOR EATING ME OUT WAS TEASING MY JUICES OUT AT AN INCREDIBLE PACE; I WAS SOAKING IN PUSSY JUICE!”

It was the summer of 2013, I was at home for the whole of the college break, 19-years-old and accustomed to the life of a student, which meant that the slow, relatively quiet life of the small country town that I came from was boring me stupid, and I had only been home a week.

I was slowly going stir crazy, spending my days with only my mother, when thankfully the gardener showed up!

When I'd left for college, the gardener was a short, balding man of about 60 years, Ron. He'd worked for my parents since I was a little girl, but the man I saw in my back garden that day didn't have the body of a 60-year-old. Over breakfast my mother told me his name was Jason, Ron's nephew, who had taken over from him late last year. Jason was like a giant geometrical puzzle made flesh, his muscles interlocking tightly. All of a sudden, my boring spring break at home didn't look so boring any more!

That first day he was working, stripped to the waist, forking over flower beds, my mother was off with the girls at yet another coffee morning while I stayed home, sunning myself on the porch in my nice, new bikini. I lay there in the sun, my face hidden beneath wide-brimmed summer hat and sunglasses, for an hour and Jason had barely looked my way more than twice. Action needed to be taken.

Strolling down the lawn behind him, a glass of lemonade in my hand, I watched as the muscles of his back flexed with each turn of the fork and felt a tingling between my legs. “That looks like back-breaking work,” I said to Jason's back. “I made you a little drink to help you cool off.”

“Thank you,” he said, turning round to look me in the face. There was one glass of lemonade and two straws, and I was drinking from one of them.

“You don't mind sharing, do you...?” I said, offering Jason the other straw.

“Not at all,” he smiled, bending to suck on the straw, his face inches from mine, and we stared into each other's eyes.

“Oh my,” I said, stroking his arm. “You're simply soaked with sweat! You should come in the house and... cool off.”

“Oh, I don't think your mother would like that very much...” Jason replied, getting what I meant straight away.

“But my mother is out all morning... and most of the afternoon,” and I sucked on the straw, fingering it suggestively.

“Well why didn't you say so?” Jason smirked. Excellent. He took me by the arm and together we walked back up to the lawn to the

house. As soon as we reached the house, I pulled Jason to me and we kissed, his tongue snaking around my mouth. His cock grew hard and pressed urgently into my stomach as we stumbled across the room and fell into a couch.

Jason slipped my bikini straps from my shoulders and cupped both my breasts in his large hands, bending to lick and suck on my nipples, which grew stiff between his teeth. I ran my hands over his chest and he slipped further down until he was face to face with my pussy, with only my bikini and his lips between it and his tongue.

He pushed his nose into my crotch, breathing deeply and groaning – later he would confess a love of panty sniffing, which I thought was cute when I knew it was my panties he was sniffing and masturbating over. He lifted my bum up easily and slipped off my bikini bottoms like they were made of paper, drawing my pussy up into his face and licking me with the whole of his tongue from my hole to my

hood, spreading my labia wide open and curling the tip of his tongue into my tunnel. I had never been to bed with a man who so eagerly ate pussy, previously they had all been tentative with my pussy, a lick here, a flick there, and I liked that but this was something else. Jason's rough, hungry desire for eating me out was teasing my juices out at an incredible pace; I was soaking in pussy juice!

Being held up like that was becoming uncomfortable. So being the country girl that I am, I turned over and gave Jason the chance to get accustomed with all of me. Right on cue, Jason's rough tongue-loving found its way deep inside my hole, slaverling its way up to my arse and burying its way right in. He had me so hot I just couldn't control my mouth. “Yeah, fucking lick my arsehole!” I cried out. “Stick your tongue right up me!”

Jason fucked my hole and my pussy with his tongue for what seemed like an eternity, spanking me for extra effect. But when he

finally introduced his fingers – Oh. My. God. First he spanked me roughly, cupping my cheek firmly, then he put three fingers in my gaping pussy and lifted me from my knees. He pulled his fingers out and I craved more. Down came his hand, slapping my butt, and in went his fingers. His thumb, meanwhile slipped round my cheek and dipped into my bumhole and with his other hand he stroked my cheek.

With his fingers and thumb still inside me, he climbed off the couch and stood beside my head. He had undone his trousers without me seeing and this thick, hard, twitching cock was right next to my face – what could a girl do but open her mouth for more filling?

other than my own fingers to pleasure myself, Jason's dick had done for me. It was a good job there was nobody else at home because my cries would have had the whole house rushing to my side!

Once I'd come, Jason slid me off his pole and began to wank hard, grunting behind me as I rested before him, trying to get my breath back. The first I knew of his orgasm was when the first load of hot come splashed onto my back, the rest coating my still tingling pussy copiously.

Needless to say, I was in tears when I had to go back to college, and although my parents were rather surprised by my emotion, they had no idea who I was really going to miss...

was a picture! The meeting flew by from that moment on and afterwards he suggested I follow him in his car to a little spot he knew. Full of excitement, I tore off after him.

He pulled off the main road and took a winding lane until we reached a lay-by. It wasn't particularly discreet, but by this time I was so horny imagining what he was going to do to me I just didn't care if we were seen. Mark opened my car door, pulled me up out of the car and pinned me against the door, telling me I was a very naughty girl for taking off my panties.

After that little outburst of dominance, he kissed me gently. I could feel his tongue darting around, exploring my mouth – he was a great kisser! His hands ran down the

front of my neck and he circled my tits with his fingers, then grabbed them hard, undoing my shirt to reveal my black lacy bra. Hitching up my skirt over my nakedness, he told me to turn round. Naughty Mark then decided he liked slapping my bare arse – it stung when he slapped across my arse cheeks but he seemed to be enjoying it so much the stinging sensation started to turn me on.

Again he told me that was for being so naughty, and then he guided my hand to his big hard cock that was throbbing against his trousers. Boy, it was so hard and so big I was nearly blushing, I fumbled with the zipper and pulled his pants down to reveal the biggest cock I had felt for quite some time. I

turned and crouched in front of him, holding his cock in both hands. After staring at it, I took him gingerly into my mouth, tracing the tip of his cock with my tongue, circling its head as I took him between my lips, filling my mouth.

Sucking slowly, he stiffened even more in my hands – you boys will never know how good it feels to have a big hard cock in your

mouth... I stopped momentarily to run my tongue up and down the length of his big hard cock in between slipping him back into my mouth to suck him deeper and deeper. His hands moved to the back of my neck as

"This is air tight. You ever been air tight before?" he said, running his hand through my hair. I tried to shake my head, which wasn't easy with six inches of dick inside your mouth.

"Nn, mm," I tried to say. I took his dick out of my mouth and opened it wide enough to get his balls inside, resting them on my tongue. Jason groaned and looked skyward.

"You like that?" I asked, taking his sack out of my mouth. "Come on and fuck me with this big dick of yours and I'll let you come all over me with these balls of yours nesting right here in this little mouth..." That was all the prompting he needed. He knelt behind me and slapped my bottom and pussy with his prick before plunging himself balls deep in my snatch

Holding me by my hips, Jason literally fucked me off the couch – with my forearms resting on the arm, Jason held me up off the cushions and pounded his fat cock into me, guiding me bodily onto and off of his shaft by hand. Such hot fucking always hits my spot and after a week of being home with nothing

While I love my job (working in sales for one of the country's largest telecommunications companies), there's one thing I don't look forward to – all the meetings the management insist on. These happen virtually every week, and never seem to achieve anything. Still, they do have one compensation – they're the only opportunity I get to see Mark, who works at a different office to me. He's a couple of years younger than me (so mid-20s) and as handsome as fuck. We've always flirted a bit, and after a lot of dithering I recently decided it was time we took things a bit further. My chance finally came last month...

As we sat through yet another pointless sales meeting, the only thing that kept me going was the occasional glance across at Mark, who I had the distinct feeling was undressing me with his eyes. By the time we got to the coffee break I was feeling so horny I thought 'Fuck it!' and made my intentions perfectly clear by slipping him my black lacy thong I had taken off in the toilet. You should have seen the look on his face; it

him pull out; he obviously wasn't ready to shoot his load yet, and he told me he wanted to fuck me as that's all he had been thinking about throughout that bloody meeting.

At this point I was getting very, very wet for him and I was loving every moment. Mark bent me over the bonnet of the car and told me to spread my legs wide. As I did, he lifted my hips and, instead of feeling his cock at my pussy I

felt his mouth as he pulled my lips apart and started licking my clit. He pushed my lips even further apart and licked me from my bud all the way up to my arsehole. As I struggled to hold my position, I felt his tongue explore my pussy as he thumbed my arse. I wanted to come in his mouth but held back for fear of it being over. He placed his fingers deep inside my soaking wet hole and continued licking. In the end I just couldn't hold back any longer and came loudly, flooding his tongue with my sweet juices.

His cock was already more than ready to fuck me at that point and he wasted no time in plunging his huge dick deep inside me, and I instantly knew that multiple orgasms were on their way!

Before I could come again, though, Mark pulled out and told me to sit on the bonnet of my car, pushing me back so he could lift my

legs over his shoulders. He guided his cock back in, teasing my clit with his fingers whilst watching his dick fill my pussy completely. I felt his attention go back to my arse as he put a finger inside my dirty hole, still fucking my pussy, fingering my butt with the same pounding rhythm. His self-control was amazing, and he managed to bring me to the

“HIS COCK WAS MORE THAN READY TO FUCK ME, AND HE WASTED NO TIME IN PLUNGING HIS HUGE DICK INSIDE ME...”

peak of pleasure three or four times before his pace quickened and I knew he was ready to come.

After slamming into me furiously for 30 seconds or so, he pulled out as he lifted me up so I could take his dirty load in my mouth, which I eagerly swallowed. His come was thick and I had him come right onto my tongue as I made appreciative noises, taking it all down my throat when he had finished coming then milking out the last few drops.

After that we made our way back to my flat to carry things on in more comfort, and he treated me to three more loads of his hot come before he'd done with me. Needless to say, sales meetings have never been the same since and I look forward to them every week.

She replied, "He's probably playing golf with his friends."

A wife and husband are having money issues. One day they decide to have the wife work the corner. Later that night the husband goes to pick the wife up. He asks, "How much did you make, sweetie?"

She answers, "I made £200 and 50p."

The husband says, "What tight bastard gave you 50p?"

She replies, "All of them."

get married, you want it all the time, and maybe you'll do it several times a day. Later on, sex tapers off, and you have it once a week or so. Then as you get older, you have sex maybe once a month. When you get really old, you are lucky to have it once a year, like maybe on your anniversary."

The young fellow then asks his grandfather, "Well how about you and grandma now?"

His grandfather replies, "Oh, we just have oral sex now."

"What's oral sex?" The young fellow asks. "Well, she goes to bed in her bedroom, and I go to bed in my bedroom. She yells, 'Screw you,' and I holler back, 'Screw you too!'"

One day a man came home from work to find his wife crying hysterically in the kitchen. "What's wrong, dearest?" asked the confused husband.

"Oh darling," sobbed the wife, "I was cleaning little Suzie's room when I found whips, handcuffs and chains under her bed, along with a very kinky magazine! What ever are we going to do?"

"Well," replied the man, "I guess a good spanking is out of the question, for starters."

M

A man dies, goes to Heaven, and sees St. Peter. There are loads of clocks surrounding him so the man asks, "What are these clocks for?"

St. Peter replies, "These are lie clocks, they tick once for every lie you tell. Here we have Mother Teresa's clock. She has

never lied so the clock has not moved. Abraham Lincoln has only lied twice in his life, so it has only ticked twice."

The man then asks, "So where is Donald Trump's clock?"

St. Peter replies, "Oh, that is in Jesus' office - he's using it as a ceiling fan."

M

A gentleman is preparing to board a plane, when he hears that the Pope is on the same flight. "This is exciting," thinks the gentleman. "Perhaps I'll be able to see him in person."

Imagine his surprise when the Pope sits down in the seat next to him. Shortly after take-off, the Pope begins a crossword puzzle.

Almost immediately, the Pope turns to the gentleman and says, "Excuse me, but do you know a four letter word referring to a woman that ends in 'unt?'" Only one word leaps to mind.

"My goodness," thinks the gentleman, "I can't tell the Pope that. There must be another word." The gentleman thinks for quite a while, and then it hits him. Turning to the Pope, the gentleman says, "I think the word you're looking for is 'aunt.'"

"Of course," says the Pope. "Do you have a rubber?"

Mmm, Mia Middleton's scrummy bod really makes us want to lick our lips – although in all honesty there are one or two other things we'd much rather be licking instead...

"Ooh, I love a guy who's good with his tongue! The surest way to get me screaming for a shag is to lick one of my nips for a few minutes – it drives me wild! I once had a threesome with a girlfriend and this guy we both fancied, and at one point they were both licking my nipples at the same time – it was the horniest night of my life!"

And theirs too, we'll wager!

Not remember you? Why here at *Mayfair*, we always remember a pretty face!

ZOEY

Age: 22 Vital Stats: 32C-25-3 5'4"

Photographer: Tammy Sands

Hey, it's another stunning 22-year-old, and Zoey here looks like she's in mighty fine shape, doesn't she? No doubt she'll put that down to all the horizontal exercise she likes to get...

"Well I do get plenty of exercise, yes – but the reason I'm in such good shape is purely thanks to the traditional variety! I just love going to the gym! I went for the first time about 3 years ago with a friend of mine to see if we could pick up any hot guys, but I quickly realised that the exercising itself was giving me a real buzz! Yes, there were plenty of muscular guys there as well, so that was good, but that's very much a secondary consideration for me these days!"

Well, if you ever fancy a change from all those muscular guys, you know where to find me!

PENNY

Age: 23 Vital Stats: 32F-26-36 5'5"

Photographer: BBM

□□□□□□□□

Take care of the pennies, the old aphorism goes, and the pounds will look after themselves. Well, that's doubtless true – it's a principle the Ed sticks to ruthlessly when it's time to buy a round, after all – but here's one Penny we'd especially love to, ahem, 'take care of', although we can't guarantee there's be too many pounds before it was all over and done with...

"You cheeky buggers! If a fella fancies his chances of 'taking care' of me he'd better have a bit of staying power, otherwise he's out on his ear. Quite a few pounds wouldn't go amiss either!"
